

Giving Back

A Message from Ronia

It is hard to believe that we are now in the fourth quarter of the year, and the holidays are almost upon us. The holidays always make me reflect upon the important things in life – family, friends and the joy of giving to those less fortunate. The holiday season should serve as a reminder for all of us of how fortunate we are and how we should use our good fortune to help others.

As always, charitable and community support has been a big part of our corporate ethos at OpTech. We've supported a number of organizations and causes this year, including many focused on improving the lives of children in our community such as the Girl Scouts, Monteith Elementary School, Big Brothers Big Sisters of Metro Detroit, Vista Maria, Boys Hope Girls Hope, St. Dominic Outreach Center, and Cornerstone Schools. This holiday season, we are supporting a couple of charitable organizations that focus on children and families in need.

There are lots of reasons to give. You can make a big difference in someone's life. When you give, you often will inspire others to give. It feels good to give. Whatever the reason, I encourage you to try to make a difference in someone else's life. At OpTech, we'll do the same.

Kudos Korner

Kudos to Tanner Jones for going above and beyond his role to complete the job. We are proud of the hard work and dedication Tanner has demonstrated on our Comerica team, as expressed by one of the managers.

“I wanted to take a minute to thank you for your efforts on getting Brookhollow through the gate last week. I realize that you had a lot to clean up to get ready for the gate and you did a great job getting us there. Your dedication and commitment was realized and greatly appreciated. Thank you very much and keep up the great work!”
